A modern wardrobe system featuring a combination of glass-fronted cabinets and solid wood drawers. The glass doors are framed in a dark, possibly brass or gold, material. Inside the glass cabinets, there are shelves and drawers, some of which are illuminated by warm, recessed lighting. A light-colored, textured garment is draped over one of the interior drawers. The solid wood drawers on the right side of the image have a natural wood grain and are fitted with small, round, gold-colored knobs. The overall design is clean and contemporary, set against a neutral background.
